

# President Obama and US troops in Shannon Airport

Since 2001 the Peace & Neutrality Alliance in Ireland has campaigned against the use of Shannon Airport by US troops. On the 21<sup>st</sup> of May President Obama is visiting Ireland and PANA is seeking to use the visit to highlight international support for our campaign. We are therefore contacting your organisation to support us by adding your signature to this statement and emailing a copy to Ireland's national TV station at: [newsdesk@rte.ie](mailto:newsdesk@rte.ie)

**We support the Irish peace movement's campaign to terminate the use of Shannon Airport by US troops on their way to and from the wars in Afghanistan and Iraq:**
